MEBA 401(k) Plan FUND LINEUP CHANGES PUT ON HOLD *(Please read this information carefully)*

June 25, 2009

Dear Plan Participant:

In response to substantial participant feedback, the Trustees have **postponed** the changes to the MEBA 401(k) Plan's fund lineup that were scheduled to go into effect on July 1, 2009. The Trustees have directed the Plan Office to evaluate options that might allow participants to remain in investment options that are being closed. Many participants have expressed the strong desire to do so.

In the meantime, if you have a balance in any of the investment options that are scheduled to be closed, those balances will not be mapped to a replacement fund until further notice. You may elect to contribute additional amounts to these funds. Likewise, all prior elections to contribute to these funds will remain in effect until further notice.

Additional information will be provided to you as soon as possible. As information becomes available participants will be notified by the Plan Office. You can also visit the Plan's website at www.mebaplans.org for the latest information as it becomes available.

Sincerely,

Allen R. Szymczak
