Re: Summary of Benefits Coverage

Enclosed is a “Summary of Benefits and Coverage (“SBC”), which the federal Government requires us to provide under Health Care Reform. The SBC does not describe all of your benefits under the MEBA Medical and Benefits Plan (the MEBA Medical Plan) and does not replace the MEBA Medical Plan’s Rules and Regulations. The Rules and Regulations contain the complete explanation of your benefits under the MEBA Medical Plan. If there is any inconsistency between the enclosed SBC and the Rules and Regulations, the terms of the Rules and Regulations shall prevail.

We want to emphasize that much of the language contained in the SBC is mandated by the federal Government. Therefore, there are several terms in the SBC that are not applicable to the MEBA Medical Plan, but which we had no choice but to include because the regulations governing the SBC do not allow us to deviate from the mandated language.

If you have any questions about the enclosed SBC, or your coverage under the MEBA Medical Plan, please call the Plan Office at (410) 547-9111.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.mebaplans.org or call 1-800-811-6322. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthcareform or call 1-800-811-6322 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$ 0	See the Common Medical Events chart below 2 for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. Certain preventive services are covered.	Certain preventive services are covered without cost-sharing . See the Common Medical Events chart starting on page 2 for a list of the specific services this plan covers without cost-sharing .
Are there other deductibles for specific services?	Yes, \$250 person/\$500 family deductible for out-of-network inpatient hospital facility and ambulatory surgical center. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before the plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	Yes, \$3,500 Covered Medical Expenses \$1,500 Prescription Drug Expenses.	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services.
What is not included in The out-of-pocket limit ?	Premiums, balanced-billed charges, health care this plan does not cover, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. Call (800)810-2583 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work).

Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
